RULES AND INFORMATION

All items in this sale are from nine different consignors plus donated items. Sales commissions and other net proceeds will be directed for the benefit of the group.

Description of condition is far from an exact science, but every attempt has been made to conform to generally accepted practice. Contact me for photocopies or scans.

All lots have a **minimum bid of 1/2 the estimate** unless a different MB is listed. Some \$1.00 minimums may seem a little high, but it isn't worth my time to list it any lower. Look at the excess over what you think it is worth as a donation to PNWPHS!

The ubiquitous "generally accepted auction rules" normally applied to philatelic mail sales shall prevail.
